Nationality : Egyptian

**Qualification:** المؤهلات العلمية

- Ph.D. Degree in (Soil Sciences), Minia University, (According channel system program with Kassel University. Germany) Minia, Egypt, 1990. •
- M.Sc. Degree in (Soil Sciences), Minia University, Minia, Egypt, 1983. •
- B.Sc. Degree in (Agricultural Sciences), Minia University, Minia, 1978. •

**Employment history:** التدرج الوظيفي

- Demonstrator in the Soil Science Department, Faculty of Agriculture, Minia University, Minia, Egypt. Three practical undergraduate courses (1978 - 1983). •
- Assistant Lecturer in the Soil Science Department, Faculty of Agriculture, Minia University, Minia, Egypt. Three practical undergraduate courses (1983 - 1988). •
- Ph. D. graduate in Kassel University, Germany (1988 - 1990). •
- Lecturer in the Soil Science Department, Faculty of Agriculture, Minia University, Minia, Egypt. Two undergraduate courses and five graduate courses (1990 - 1996). •
- Associate Professor in the Soil Science Department, Faculty of Agriculture, Minia University, Minia, Egypt. Two undergraduate courses and five graduate courses (1996 till March 2000). •
- Associate Professor in the Soil Science Department, Faculty of Agriculture, Tanta University, Tanta, Egypt. Two undergraduate courses and five graduate courses (from March 2000 till May 2001). •
- Associate Professor in the Soil Science Department, Faculty of Agriculture, Tanta University, Tanta, Egypt. Two undergraduate courses and five graduate courses (from March 2000 till May 2001). •

Professor in the Soil Science Department, Faculty of Agriculture, Tanta University, Tanta, Egypt (May 2001) •

### Professional Experience:

- Jointly supervised ten Ph.D. theses and 13 MS.C •
- Participating in the examination and award Theses (Master and PhD). •
- Reviewer and member of the technical evaluation committee for Academy of Scientific Research and Technology (ASRT) and Science & Technology Development Fund (STDF) proposals •
- Reviewer and member of the technical evaluation committee for scientific committee to promote professors and assistant professors in Egypt , Iraq and Jordan •
- Reviewer and member of the technical evaluation committee for many scientific Journal in Egypt. •
- Participating in teaching the following courses in the Faculty of Agriculture at Minia and Tanta: •
- Fundamentals of Soil Science, Plant Nutrition, Soil Fertility and Fertilizer, International Course on Soil and Plant Analysis, Micronutrients and Chelating Compounds, Soil Chemistry and Chemical Analysis in Soils, Chemistry of fertilizers. •

### Leadership activities:

- Head of Soil and Water Department, Faculty of Agriculture, Tanta University, Tanta, Egypt (from July,2004 till Jan.2009). •
- Vice Dean of the Faculty of Agriculture, Tanta University for education and students affair from 18-1-2009 till 17-1-2015. •
- Dean of the Faculty of Agriculture, Tanta University from 1-8-2014 till 10-11-2014. •
- Head of Soil and Water Research Center and experiences of Agriculture at the Faculty of Agriculture, Tanta University, from 1-8-2014 till 10-11-2014.. •
- Head of Safety and Occupational Health Unit, the Faculty of Agriculture – Tanta University, from 1-8-2014 till 10-11-2014. •
